School districts today are charged with keeping our students engaged in an ever changing educational climate where curricular expectations continue to become more rigorous. The life of a curriculum director is not easy as there are many tasks to complete.

The ESC of Northeast Ohio began hosting a Curriculum Directors Network starting with the 2017-2018 school year. This collaborate network has offered area curriculum directors the opportunity to hear relevant information and updates, share best practices, and discuss implementation strategies.

September 14th
December 10th
March 11th
June 4th
