

The life of an educator today is not an easy one. You are extremely busy with district initiatives, grading, planning, meetings, and communicating with parents.

The ESCNEO would like to offer our assistance that will provide you with updates, collaboration, insight, and support with the Advanced Placement (AP) classes in your district.

The ESC will begin hosting an Advanced Placement Network designed for teachers, guidance counselors and administrators starting in the 2019-2020 school year. The AP Network will be a collaborative effort to provide resources, engage in discussions and share instructional strategies.
