Part 1 and 2 are **required** for new preschool special education administrators and staff who are responsible for completing the COS process). Part 2 may be utilized as updates for previously trained individuals.

Description Part 1:

Child Outcomes Summary (COS) professional development part 1 provides an introduction to the COS process, describes children's functioning in the three outcome areas, and explores the five areas of essential knowledge that teams need for completing the COS process.

Description Part 2:

Child Outcomes Summary (COS) professional development Part 2 will review key features of the Child Outcomes Summary (COS) process and required information to successfully complete the process. Participants will complete application activities and explore the requirements and resources specific to state policies about collecting child outcomes data.
