

# OTES Prototype Project RECAP

The Educational Service Center of Northeast Ohio (ESCNEO) will host debriefing sessions following the regional OTES Prototype Project work days to share updates and gather additional preliminary feedback to share with the Ohio Department of Education prior to the statewide 2019-2020 pilot. These sessions are open to districts interested in information regarding the new model for teacher evaluation.

Aspects of the OTES Prototype Project include but are not limited to: OTES framework, OTES rubric, use of high quality student data in the teacher evaluation process, and evaluation forms to support OTES pilot implementation.
