Discussion time in breakout rooms with
content area colleagues

**This event will be split into two cohorts
by content area. To register, and for more
information about which cohort you
are in, please contact**

roni.stampel@escneo.org

The AP Network is facilitated by the ESC
curriculum department

The life of an educator today is not an easy one. You are extremely busy with district initiatives, grading, planning, meetings, and communicating with parents.

The ESC of Northeast Ohio hosts an Advanced Placement Network designed for teachers, guidance counselors and administrators. The AP Network is a collaborative effort to provide resources, engage in discussions and share instructional strategies.
