Thank you for 20 years!

It was 20 years ago when Nickie R. and Jackie P. were hired by the Educational Service Center for the Rose-Mary Center School program. Nickie is a classroom teacher in Room 7 and Jackie is a Classroom Assistant in Room 3. They were honored at the annual open house and basket raffle with potted mums, certificate of appreciation and cake. Honorable mention also goes to Bobbie, Helen and Michelle who celebrate 25 years with the school program –which is also 25 years old.

Fall Festival Extravaganza...

The Open House and Basket Raffle event had a new twist this year—a bounce house with a slide and cotton candy machine. These were set up for the students to enjoy earlier in the afternoon. There was also a bean bag toss, face painting and hot dogs. All enjoyed the festival. The fun continued during the Open House from 4-6 pm as families came to visit, enjoy the activities

Because of the bridge construction and exit closings, we have had numerous delays with students' and transportation in the am and pm. At times, we are unsure if a student is coming to school or is delayed. May we ask that you remember to call the school (in addition to transportation) when your child is absent. 216-621-3451
