

Instructional Coaching Network

The Instructional Coaching Network is an ongoing collaborative learning opportunity for instructional coaches, leaders of coaches and anyone who wants to learn more about coaching practices in Northeast Ohio. The network provides a time and space for coaches to connect research to practice, share ideas, troubleshoot challenges and grow their skills.

POSSIBLE TOPICS INCLUDE:

- Building coaching skills and practices
- Strengthening a coaching program
- Utilizing data for focus and growth
- Leading coaching conversations
- Navigating change and resistance
- Partnering with administration
- Implementing a coaching process
- Measuring our coaching impact
- Celebrating and sharing coaching successes
