Second Annual Spring Stroll & Roll

The second annual "Stroll & Roll" fundraising event was held on a cloudy afternoon on April 25th. Once again, the playground fundraising committee planned a well-organized, weather cooperating event. For a \$15.00 donation, a student was sponsored and the donor received a very smart looking ESC-RMC tote bag. Staff, families and friends walked with the students through familiar sights in the Tremont area. They included Community Based

Training destinations, such as the library, recycle center, ice cream shop, "Civilizations" coffee shop, and numerous other sights. After the stroll, everyone was invited to the gym for snacks and a picture video of last year's walk. The stroll raised approximately \$450 for new playground equipment – a new swing set with two swings. Additional tote bags can be purchased for \$5.00 at future school events or by calling the school at 216-621-3451

Mexican Fiesta—May 9, 2014

Asiyah and Stacy.

We will miss Asiyah but wish her the best in her new adventures.
