

SAVE PROMISE CLUBS

SAVE (Students Against Violence Everywhere) Promise Clubs are a place for young people across country to show their leadership, creativity and passion for protecting their friends, schools and communities from violence *BEFORE* it happens.

SAVE Promise Clubs are established and led by students, and are a powerful approach to preventing gun violence (and other forms of violence and victimization) because they recognize the unique role that young people play in making their schools and communities safer.

the

A SAVE Promise Club can be a stand-alone club or embedded into an existing club, such as SADD, Student Council, FCCLA, or another student leadership, civic or kindness club. Many SAVE Promise Clubs are successful meeting only once or twice a month and organizing 4 activities throughout the year.

In 2017, SAVE and Sandy Hook Promise combined efforts to collectively expand our reach and sustain our work on educating and empowering young people to help prevent gun violence (and other forms of violence and victimization) - *BEFORE* it happens. There are now thousands of SAVE Promise Clubs across the country. Add your voice to our efforts by forming a SAVE Promise Club at your school or youth organization. Engage, empower, encourage and educate your friends and peers to Know The Signs and create safer schools and communities.

Know the Signs Prevention Programs

SHP “Know the Signs” programs teach youth and adults how to identify, intervene and get help for individuals BEFORE they hurt themselves or others. We offer and deliver, at no cost to schools and youth organizations, four *Know the Signs* programs.

	<p style="text-align: center;"><u>Say Something™</u></p> <p><i>Say Something</i>, an evidence-informed education and awareness program, provides tools and practices to recognize the signs and signals of a potential threat – especially in social media - and <i>Say Something</i> to a trusted adult or submit an anonymous tip through our Say Something Anonymous Reporting System (via mobile app, website, or toll-free number) BEFORE it is too late.</p> <p>Training can be self-led with our free downloadable training materials, delivered by an SHP Promise Presenter, or through our Say Something digital training module.</p>
	<p style="text-align: center;"><u>Start With Hello™</u></p> <p>Start With Hello (SWH) teaches youth how to be more inclusive and connected to one another. SWH works to create connectedness and community, by minimizing social isolation, marginalization and rejection, BEFORE an individual chooses to hurt them self or others.</p> <p>SWH is an evidence-informed program developed in collaboration with educators and leading violence prevention researchers. Training is delivered in-person or can be digitally downloaded and self-led. Requires 50 minutes to deliver.</p>
	<p style="text-align: center;"><u>Safety Assessment & Intervention™</u></p> <p>Safety Assessment & Intervention (SAI) teaches adults in schools and youth organizations how to identify, assess and respond to threats of violence or at-risk behavior BEFORE a tragedy takes place. SAI not only addresses the threat itself but also the helps identify and treat the underlying problem in that youth’s life that led to him/her making the threat.</p> <p>SAI was developed by Dr. Dewey Cornell at the University of Virginia and is an evidence-based program. SHP has partnered to help scale and deliver SAI to schools and youth organizations. Training is delivered in-person only. Requires 6 hours to deliver.</p>
	<p style="text-align: center;"><u>Signs of Suicide (SOS)™</u></p> <p>Signs of Suicide (SOS) teaches youth, educators and administrators how to identify, intervene and get help for youth who may be depressed or suicidal.</p> <p>Screening for Mental Health created this heavily evidence-based program. SHP has partnered with them to drive training into schools and community organizations nationwide. Training is delivered in-person only. Requires 50 minutes for student training and 2 hours for teacher/administrator training.</p>
