

## School Improvement Network: Leading Change at the Building Level

This leadership network will provide networking, collaboration and conversation for building leaders in successfully implementing an improvement plan focused on an evidence-based initiative. This network is for building principals and other school leaders who wish to improve the work of their collaborative teams as they engage in the implementation of improvement initiatives.

*Each session will include the following:*

- *Leadership Lessons*
- *Voices from the Field*
- *Networking*
- *Hot Topics (ODE Updates)*

**Audience:** Building and Community School Leaders
