Amanda Nowak, LPCC-S Student Wellness Consultant

2022 to present
B.S. in Education, Ohio University
M.S. in Education, The University of Akron

Amanda is a Licensed Professional Clinical Counselor, with Supervisor designation. Prior to coming to the ESC, Amanda worked in community mental health for over 10 years. Amanda has experience providing direct care as well as supervising clinicians in the provision of individual and family therapy to children, adolescents and their families in outpatient, school, community, and residential settings. Additionally, Amanda provided school-based consultation around mental health and substance abuse including suicide prevention, mental health screening, and trauma-informed care.

As a Student Wellness Consultant, Amanda is looking forward to providing high quality professional development and ongoing technical assistance to districts to advance student and staff wellness.

Amanda lives in North Olmsted with her husband, Kory, and their two children, Myles and Parker. She enjoys staying active by running or walking, and loves being outdoors.
