Anthony Pizzuti

School Climate Regional Field Coordinator

2019 to present

B.S. - John Carroll University

MA - John Carroll University

Ph.D.- Cleveland State University

Anthony Pizzuti is the School Climate Regional Field Coordinator with the Educational Service Center (ESC) of Northeast Ohio supporting Regions 2, 3, 4, and 5. His primary role working with ESCs and State Support Teams (SSTs) is to support and assist in the expansion and implementation of Positive Behavioral interventions & Supports (PBIS) across the Northeast Quadrant.

Prior to working at the ESC, Anthony worked as a Special Education and School Improvement Consultant with the State Support Team Region 4 (SST4) focusing on Positive Behavioral interventions & Supports, Special Education & Family & Community Engagement. He received his Bachelor's Degree in Psychology and Master's Degree in Community Counseling from John Carroll University and is a Licensed Professional Counselor (PC) and a National Certified Counselor (NCC). He completed his Ph.D. in Urban Education (Counselor Education) at Cleveland State University. Anthony has also worked for over 10 years in the early childhood field as the mental health/disabilities coordinator at Head Start and as a Resource Teacher with the Achievement Centers for Children.
