

Invitation to Eaton Corporation World Headquarters

Time Sensitive
Limited Seating

Thursday, December 8, 2016

Members of the NCBAN have an exceptionally rare opportunity to visit the World Headquarters of **Eaton Corporation** located in the Chagrin Highlands. Eaton Corporation is a global leader in power management solutions that make electrical, hydraulic and mechanical power operation more efficiently, reliably, safely and sustainably.

Sandy Cutler, past CEO of Eaton Corporation, has said that the 600,000 square foot LEEDS certified facility reflects the company's commitment to continued growth of the global power management business, to their employees and to Northeast Ohio. This campus is home to 700 employees and another 1,100 Eaton employees are in other Cleveland facilities. Eaton corporation employs about 100,000 worldwide. Join us to meet with Eaton senior executives for a first hand look at this 21st century company that is both innovative in product development and workplace environment.

Welcome to the NorthCoast Business Advisory Network (NCBAN) of the Educational Service Center of Cuyahoga County.

This network of school administrators and business professionals convenes quarterly to share pertinent, timely information about employment and educational opportunities in the Northeast Ohio region.

Membership is FREE! Meetings are very informative and also fulfill the state mandate that requires school districts to participate in a business advisory council. Please join us!
