

PREVENTION SERIES:

TRAUMA-SENSITIVE PRACTICES FOR SCHOOLS

The Student Wellness Department, of the ESC of Northeast Ohio, continues their Prevention Series on the topic of trauma and resiliency, in partnership with ADAMHS Board of Cuyahoga County (Alcohol, Drug Addiction & Mental Health Services), The MetroHealth System, and State Support Team Region 3, by providing information on:

- Learning effective classroom strategies to support youth exposed to trauma that promote resiliency and student wellness.
- Discussing how to imbed trauma sensitive practices into your educational and prevention frameworks.
- Understanding the importance of analyzing and interpreting your community data to ensure alignment with the Whole Child.

Audience: Educational Staff, Administrators, and Community Providers working in schools
