by content area. To register, and for more  
information about which cohort you  
are in, please contact**

**[roni.stampel@escneo.org](mailto:roni.stampel@escneo.org)**

The AP Network is facilitated by the ESC  
curriculum department

The life of an educator today is not an easy one. You are extremely busy with district initiatives, grading, planning, meetings, and communicating with parents.

The ESC of Northeast Ohio hosts an Advanced Placement Network designed for teachers, guidance counselors and administrators. The AP Network is a collaborative effort to provide resources, engage in discussions and share instructional strategies.
