

OHIO SCHOOL THREAT ASSESSMENT TRAINING

Offered by the ESC of Northeast Ohio and Ohio Schools Council

December 11th, 2023
January 8th, 2024
February 12th, 2024

Participants will receive training in Dr. Dewey Cornell's Comprehensive School Threat Assessment Guidelines (CSTAG).

Practice hands-on tools, review case studies, identify resources, and learn guidelines to use in responding to threats of school violence.

Teams should be composed of:

- Three district-level safety and security staff members
- Three team members for elementary schools that choose to establish a team
- Three to five team members for middle and high schools

Participants will receive a certificate fulfilling the threat assessment requirement in HB123.

For more information on the CSTAG model, click [HERE](#).

"I have been a School Resource Officer for 19 years. I found that collaboration is the best method to resolve school threats and student issues. This training is paramount to the safe operation of schools and the involvement of all the entire community needed to raise our children."

*- Jon Karl, School Resource Officer,
North Royalton City Schools*
