

2026-2027 Data Leaders PLC

Join Mindy Geschke & Alexis Volk for the fourth year of the Data Leaders PLC, a professional learning community designed for instructional leaders who want to dig deeper into data-informed decision making. This year's PLC will feature a yearlong book study of *In Support of Students*, woven into relevant, timely topics such as:

- Making the most of EVAAS reports
- Reflecting on state report card data and planning ahead
- Navigating critical conversations with confidence

Supporting high-quality instruction

Each session will blend practical tools with collaborative discussion to strengthen data practices across buildings and districts.

A \$35 registration fee covers the cost of the book and supplies for the PLC

Session Dates

All sessions are from 9:00 - 11:30
