

Administration of the Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD) March 21, 2017

The Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD) is the statewide achievement test aligned with Ohio's Learning Standards—Extended (OLS-E) for Science, Social Studies, Mathematics, and English/Language Arts. The AASCD is an individually administered, computer based assessment.

Participants in this professional development opportunity will learn how to organize the test materials and the testing environment; make accommodations to the test materials; administer the new assessment; and score the new assessment. Participants will also have an opportunity to interact with sample test materials and practice test administration.

PLEASE NOTE:

This training is for TEST ADMINISTRATORS and SECOND RATERS who were not trained in the administration of the AASCD.

Audience: All stakeholders who will be administering Alternate Assessment for Students with Significant Cognitive Disabilities who were NOT trained last year.

Questions?

Contact Yvonne Daycak at yvonne.daycak@esc-cc.org or 216-446-3803 / 216-524-3000.
