

Building Coherent Systems: Attendance Leaders PLC and IMTSS Network

2026-2027

ATTENDANCE LEADERS PLC

In this Professional Learning Community (PLC), participants will focus on reducing chronic absenteeism through positive, preventative, and data-informed approaches. Sessions are strategically scheduled throughout the school year to support timely reflection, planning, and action. Participants will collaborate to analyze attendance data, identify trends, share effective practices, and implement targeted strategies that promote consistent student attendance.

IMTSS NETWORK

The IMTSS Network brings educators and leaders together to strengthen systems that support the academic, behavioral, and social-emotional needs of all students. Through collaborative learning, data-driven practices, and shared problem-solving, participants build the knowledge and tools needed to implement and sustain an effective Integrated Multi-Tiered System of Supports. This network provides practical strategies, resources, and connections to ensure alignment, consistency, and improved outcomes across schools and districts.
