

# Best Practices in Adolescent Literacy

May 16, 2023

## Overview

This session is designed for adolescent literacy and content area teachers, instructional coaches and their school leaders to build knowledge around evidence-based adolescent literacy practices. The goal of this session is to learn about best practices that increase student motivation and engagement while reading, writing, and discussions around complex text, in every classroom every day.

## Intended Audience

Teachers, leaders, and coaches for adolescent and disciplinary literacy

## Format

In-person session at the ESC of Northeast Ohio

Full day session, 8:30 am - 3:00 pm

## Registration

This session is free but space is limited!

Be sure to register today!
