Blended Learning in Action

Online Book Study

January 25 – April 11, 2022

Weekly Virtual Cohort Coffee Chats:

Tuesdays from 3:30 – 4:00 pm

BLENDED LEARNING in ACTION

Technology is radically changing the way our students communicate, collaborate, connect, and create. The rise in online tools, increasing availability of mobile devices, and limitless amounts of information are having a profound impact on education. Join educator and best-selling author Catlin Tucker as she explores how teachers can use blended learning models to engage students, encourage autonomy, spark creativity, personalize learning, and connect students to an authentic audience.

COST:

\$50.00 per person

Participants should purchase the book prior to the course
