

Building Stronger Assessments: From Formative to Summative

Educators will engage with other professionals to discover ways to build stronger assessments in their classrooms. This professional learning day is designed to:

- Deepen knowledge around state learning standards and related resources and tools.
- Explore varied assessments utilizing technology. (i.e. Flipgrid, Seesaw, Voxer, Twitter) that engages all students.
- Increase student engagement through creation and use of formative and summative assessments.
