

“Bullying and Peer Mistreatment”

Instructor: Kathleen Kettler

April 6, 2015 through May 1, 2015

Course Description

What can young people tell us about bullying? This course will explore new and insightful evidence that changes the way we deal with bullying. The course emphasizes the effects bullying has on the victim and suggests important life saving strategies to help youth cope with this problem. Participants will

explore methods for handling bullying behaviors and will discover many practical ways to create schools where everyone feels safe and respected.
