

Classroom Culture

What is the Crisis Prevention Institute?

Crisis Prevention Institute (CPI) teaches professionals the skills to identify, prevent and de-escalate crises in the workplace. With distinct levels of training, CPI offers solutions for every role and risk level, in every organization.

This session is focused on specific strategies to foster a positive culture within all classrooms.

WHAT:

- With a focus on application and technique, the principles discussed integrate with all tiered behavior management initiatives while requiring minimal additional effort from staff. Adoption of Classroom Culture will result in positive and sustainable improvements in classroom and school culture.

WHO:

- Classroom Culture Training gives teachers, staff, and administrators a set of core principles to establish and sustain consistent classroom environments.

COST:

- \$100.00 per person (includes cost of \$40 manual)
