

# Verbal Intervention (without disengagement)

## What is the Crisis Prevention Institute?

Crisis Prevention Institute (CPI) teaches professionals the skills to identify, prevent and de-escalate crises in the workplace. With distinct levels of training, CPI offers solutions for every role and risk level, in every organization.

**This session is focused on the specific options available to support the PBIS training requirements in Ohio Administrative Code 3301.**

### WHAT:

- Verbal Intervention training (without disengagement skills) equips staff with de-escalation skills and non-restrictive intervention techniques, giving them the confidence and competence to manage escalating behaviors.

### WHO:

- This program is ideal for facilities and roles with hands-off policies, or for staff that do not experience situations that warrant physical interventions.

### COST:

- \$70.00 per person (includes cost of \$40 manual)
