

The Centralized Reporting System (CRS) is the data warehouse that houses all state testing data. The following sessions are free of charge and will be offered in-person at the ESC of Northeast Ohio. Please register at <http://www.escneo.org>.

### CRS 101

This session will introduce participants to the navigation of the Centralized Reporting System (CRS), including accessing reports, utilizing features offered in the system, and exporting results. Readiness Assessments will be explored as valuable instructional tools. The suggested audience for this session is education leaders in new roles or unfamiliar with the CRS.

- Thursday, August 31, 2023, 1:00 p.m. – 3:00 p.m.
- Tuesday, October 3, 2023, 1:00 p.m. – 3:00 p.m.

### CRS 201

This session will go beyond the basic navigation of the CRS and focus on how to use the system to analyze data. The goal of this session is to identify instructional strengths and prioritize growth areas with newly released state test data. Discussion protocols will be provided to support data conversations with educators. The suggested audience for this session is those in building or district leadership roles.

- Friday, December 15, 2023, 9:30 a.m. – 11:30 a.m.
- Wednesday, January 24, 2024, 9:30 a.m. – 11:30 a.m.
- Thursday, May 23, 2024, 9:30 a.m. – 11:30 a.m.
- Wednesday, May 29, 2024, 9:30 a.m. – 11:30 a.m.

### Customized Learning Paths

Customized professional learning is available for individual districts and/or leaders; please contact the Director of Teaching and Learning [kelly.stukus@escneo.org](mailto:kelly.stukus@escneo.org) to schedule and/or discuss options. Considerations may include:

**Small Group Learning** - An ESC Consultant can attend an administrative or building team meeting to provide facilitated guidance in a more personalized setting.

**Individual Learning** – An ESC Consultant can facilitate individual click-along tutorial sessions investigating your data. These can be scheduled at the ESC or on-site in your district.
