EDUCATIONAL SERVICE CENTER of Northeast Ohio
The Bridge to Educational Excellence

Centralized Reporting System (CRS)

The following sessions are free of charge and will be offered in-person at the ESC of Northeast Ohio. Please register at http://www.escneo.org. This session will introduce participants to the navigation of the Centralized Reporting System (CRS), including accessing reports, utilizing features offered in the system, and exporting results. Restart Readiness Assessments, also known as Checkpoint and Benchmark Assessments, will continue to be available for district use throughout the 2023-2024 school years; the use of these assessments will be explored as valuable instructional tools.

Data Available in CRS

- Ohio's State Tests (OSTs)
- Alternative Assessments for Students with Significant Cognitive Disabilities (AASCD)
- Restart Readiness Assessments (Benchmark & Checkpoint)
- Ohio English Language Proficiency Assessment (OELPA)

Benefits of Checkpoint & Benchmark Assessments

- Composed of OST released items
- Individual student and item analysis data (no more GUEST USER access)
- Familiarizes students with OST platform
- Provides teacher with student/class/school/district/state comparison results
- ELA Teachers: review individual student writing responses with machine-scored results
- Checkpoint Assessments: 10 question assessments aligned to tested area reporting categories to embed within curriculum (made of OST released items)
- Benchmark Assessments: full-length practice tests mirroring OST assessment blueprint (made of OST released items)
