

Charting Success: IEP Data Dive

Join Christy Roshong and Alexis Volk at the ESC of Northeast Ohio for an engaging 2-part professional development series! The series will be an immersive experience dedicated to practical data collection.

The session is designed specifically for intervention specialists and related service providers. In the first session, participants will benefit from embedded coaching, tailored to current IEP data needs. The second follow-up coaching session will support first quarter progress data to ensure all relevant data is collected or planned for.

Cost: \$75 for the series
