

# Classroom Strategies for Early Childhood Mental Health

November 13, 2023 OR  
February 12, 2024

**State Support  
Team**

Participants will identify the impact of the pandemic and other stress responses on children's challenging behaviors. Participants will learn strategies to utilize a multi-tiered system of support (MTSS) to address challenging behaviors they are experiencing in their classrooms.

**Ohio Approved Contact Hours: 2.0**
