

CO-TEACHING FOR LEADERS

Have you wondered whether having two teachers in the room is making the impact it should for students? Are there steps you can take as a leader to better support co-teaching? This **two-part virtual series** helps school leaders guide effective co-teaching in their districts and schools. Participants will identify immediate action steps and develop long-term plans to build strong co-teaching partnerships that enhance student learning.

MARCH 10 & 17 2026
