

CREATIVE CURRICULUM AND TEACHING STRATEGIES GOLD® VIRTUAL SUPPORT SERIES

Join us for virtual support sessions designed to help preschool teachers and administrators maximize their use of Creative Curriculum and Teaching Strategies GOLD®. Sessions will cover system navigation, assessment documentation, reporting features, data analysis, progress monitoring, MTSS applications, and the use of child-, classroom-, and program-level data to inform instruction and decision-making. Participants will have opportunities to ask questions, problem-solve challenges, and learn practical strategies for strengthening curriculum and assessment practices.
