

Teaching Creativity Seminar

OCTOBER 18, 2019, DECEMBER 12, 2019 AND JANUARY 10, 2020

ATTENDANCE AT ALL THREE DAYS ARE REQUIRED

Would you like to explore creative thinking as a means to **re-energize your practice** and **connect to a community** of teacher-learners?

We are seeking teachers of any subject matter, who are life-long learners interested in cultivating creativity thinking in their classrooms. Participants in our Creative Thinking seminar will experience a 3 day, participatory immersion into ideas and practices for fostering creativity and creative thinking. Throughout the subsequent school year, educators will collaborate with one another, with master teachers, and with outside experts during 3, single day instructional seminars designed to support them in being effective and inspiring agents for creativity in their own classrooms and schools. Gifted Identification and services will also be a part of this series.
