

## Meet The Trainers

*Carla L. Sibley*

*Andrew Ziccardi*

*Mae Walker*

### Purpose

This training will increase awareness and understanding of urban students and families, utilizing a framework for exploring the conditions associated with culture, socio-economic status, trauma and other community factors.

### Learning Objectives

- Creating a welcoming school culture and climate.
- Understanding students beyond academic measures.
- How to engage families in learning through supportive academic, social, emotional and physical environments.
- How to improve communication between school and home.
- Identifying resources that strengthen and support students well-being.
