

Cultural Sensitivity Training

Understanding Students for Improved Academic Performance and Well-Being

Professional trainers from Akron Public Schools offer unique insight into the lives of Students and their families at this all-day workshop for administrators, faculty, and staff.

They will provide a framework for exploring how conditions associated with culture; socio-economic status; trauma; and other factors affect students' academic performance as well as their emotional well-being.

You will learn how to:

- Create a welcoming school culture and climate
- Understand your student beyond their academic measures
- Engage families in learning
- Identify resources that strengthen and support students' well-being.
