

PLC Purpose

This professional learning community (PLC) is tailored for data leaders dedicated to embedding the strategic use of data within their school's culture. Through collaborative sessions, participants will share insights, strategies, and best practices, fostering a dynamic environment where mutual learning and growth thrive.

Throughout the year, the following data sources will serve as the foundation to session topics: OST data, Local Report Card data, EVAAS data, master scheduling, Readiness/Field Authored data, PLC structures and building capacity with all.

PLC Commitment

To make the most of this series and ensure that everyone benefits fully, we kindly request that participants commit to attending all sessions. Space is limited; [register here](#) to secure your place.
