

# GCCTM Deep Learning Series 2017

## September - November K-12 MATHEMATICS LEARNING

*Northeast Ohio Mathematics Educators are Making a Difference*

### Mathematical Mindsets Book Study

By Jo Boaler

Do not miss out on this year's Deep Learning Series! We are offering a K-5 and 6-12 course *Reading and Reflecting on Jo Boaler's Mathematical Mindset book*. Each course will be held online with a face to face component to start and end the course. **The first course will be at the Cuyahoga County ESC September 26th at 4:00 p.m. and the last class will be taking place during GCCTM's Winter Mini-Conference on November 11th at Garrett Morgan High School 4016 Woodbine Ave, Cleveland, OH 44113.** If you've read the book already and want to dig deeper, or you have been wanting to read the book, then now is your chance to get in on the discussion. Jen and Mike are willing to extend this class to a second semester if there is interest.

**Cost:** \$50 registration fee for GCCTM members payable to ESC-CC. You must be a member of GCCTM to participate in this course. Join GCCTM today at <http://mygcctmonline.org/> for \$15 and enjoy ALL other perks of being a part of a math learning community..

**Register:** Go to [www.esc-cc.org/Professional Development/Calendar of Events](http://www.esc-cc.org/Professional%20Development/Calendar%20of%20Events). Go to the date (**September 26th**) and click on the workshop and follow the prompts to complete registration. Be timely as the course is limited to a **maximum of 30 participants**.

**Graduate Credit Option:** 1 graduate credit hour will be available for purchase for an additional \$225 through Ashland University for the course (no additional assignments are required). Enrolling in graduate credit option will be discussed further during our first face to face meeting session.

**Books:** Purchasing the book will be up to you and your district. ISBN Number - 9781118415535
