

# Diagnosing Reading Difficulties to Plan for Instruction

**March 21, 2017  
and  
May 15, 2017**

This two day workshop will enable participants to:

- Apply research—based instructional strategies to individualize learning for students on a Reading Improvement and Monitor Plan (RIMP);
- Use multiple types of assessments to monitor student progress to inform educational decisions;
- Evaluate and monitor RIMPs.

**Audience:** K-3 teachers, reading specialists, intervention specialists and reading and literacy coaches.

**Participants should bring sample RIMPs and any current assessment and progress monitoring data that is available**

## **Registration:**

Registration for this event must be done through the Ohio Department of Education's registrations systems, STARS.
