

Diagnosing Reading Difficulties to Plan for Instruction

This two day workshop will include an overview of assessments that can be used to diagnose reading difficulties, an exploration of the purpose of a variety of assessments, how to write a useful Reading Intervention and Monitoring Plan (RIMP) and then implement and monitor it.

Workshop Begins

**August 30, 2016
and continues**

September 26, 2016

The target audience for this workshop is K-3 teachers, reading specialists, intervention specialists and reading and literacy coaches.

Participants should bring sample RIMPS and any current assessment and progress monitoring data that is available

This event is FREE!
