

# Disrupting Poverty in Ohio Network

## Supporting Student Academic Success via Authentic Family Partnerships

May 14, 2024  
11:30 AM - 1:00 PM

Location: ESC of Northeast Ohio  
6393 Oak Tree Blvd.  
Independence, Ohio 44131

Research shows a connection between individual student growth and family input and feedback. Yet, many families do not know how to support their students in finding academic success. When family members are encouraged to take an active role in schools, they feel more invested in their own achievement in return.

In this session, Dr. Tammy Campbell will share evidence-based approaches to help stakeholders share their concerns, hopes, and to explore opportunities for collaboration in support of student success.
