

## Dyslexia: Remediation, Intervention, and Practical Application Strategies for Effective Instruction

Designed for Teachers in Tiers I, II, and III, Grades K-5

2 Day Course • 1 Graduate Credit

Presenter: Keystone ALTA Qualified Instructor

### COURSE DESCRIPTION:

This two-day course focuses on the scientific definition of dyslexia and its common characteristics standardized by the International

Dyslexia Association and the most effective research-based methodologies.

The instructor demonstrates multisensory structured language techniques based on the Structured Literacy philosophy in the areas of reading, spelling and writing. This interactive session demonstrates ways to meet the challenges of teaching students with dyslexia with an emphasis on differentiating instruction to assure coverage of essential components for student progress.

### COURSE OBJECTIVES AND LEARNING OUTCOMES
