

Positive Behavior and Intervention Support (PBIS)

Early Childhood New Teams

Presenters:

SST3 Consultants

**State Support
Team**

Did you know that:

- Preschool expulsion rates are 3 times higher than K-12 expulsion rates?
- Young students who are expelled/suspended are 10 times more likely to drop out of high school?
- Over 10% of preschool teachers in state-funded programs expelled a preschooler in the past year?
- Hispanic and African-American boys represent 46% of all boys in Pre-K, but 66% of those suspended?
- Boys make up 79% of preschoolers suspended once?
- Early learning teachers report that coping with challenging behavior is their most pressing training need?
-

Over the course of the multi-day series, participants will build and design a framework to address these concerns through the implementation of the core components of Positive Behavior and Intervention Support (PBIS) at the Universal (Tier 1) level. This series addresses the unique context of early childhood while assisting with the alignment to school-aged PBIS. SST 3 consultants will provide support with the implementation and evaluation of adult fidelity to the framework. Teams need to be prepared to meet at least monthly outside of the PD sessions.

Audience: Early Childhood program teams including pre-k through grade 2. *Requires participation of at least one administrator.* Additional members may include educators, assistant teachers, related service providers including psychologists and family representation. **This is a team-based registration.** We suggest teams of six participants.

Registration: A team registration packet is provided on the pages following this flyer. Please complete the team registration forms and agreement form and submit to Yvonne Daycak.

Email: Yvonne.daycak@escneo.org; or Fax: 216-446-3829
Phone: 216-446-3803 if you have any questions.

Dates:

October 29, 2021

December 3, 2021

January 28, 2022

March 18, 2022

**Participants must attend
all four sessions**

Location:

Virtual meetings via Zoom
In-person option TBS

Time:

9:00 a.m.—3:30 p.m.
Please log into Zoom 10 minutes
prior to the start of each meeting

OA Contact Hours: 21.0

NOTE:

This PD will be conducted via Zoom with optional in-person participation as conditions permit and we will use an online learning platform (Canvas) to house all materials. Participants are expected to view the upcoming modules and materials prior to each session. Links for each meeting date will be emailed to team members once the team registration and agreement forms are completed and submitted to Yvonne Daycak. It is imperative that an email address, OPIN, and date-of-birth are listed for each team member so that attendance can be recorded in STARS and OCCRR.

Ohio District/Schoolwide Positive Behavioral Interventions and Supports

Thank you for your interest in Positive Behavioral Interventions and Supports (PBIS). The following information will help answer your questions about PBIS implementation in your school and district.

What is Positive Behavioral Interventions and Supports (PBIS)?

PBIS is a general education initiative, supporting all children and youth, Prekindergarten-Grade 12. The OSEP Technical Assistance Center on Positive Behavioral Interventions & Supports defines PBIS as: a decision making framework that guides selection, integration and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. In general, PBIS emphasizes four integrated elements: data for decision making, measurable outcomes supported and evaluated by data, practices with evidence that these outcomes are achievable, and systems that efficiently and effectively support implementation of these practices.

Getting Started with PBIS

Contact your State Support Team or Educational Service Center for information related to readiness, commitment, and training. We recommend that the district/school/program teams review the PBIS resources on the Ohio Department of Education website for an overview of PBIS. The overview provides an introduction to the fundamental elements, principles, guidelines of PBIS.

Who Needs to Be Involved

Commitment and support begins at the district level and district leaders need to be informed and dedicated to the implementation of PBIS. Building/program administrators are expected to be actively involved in implementation along with a building/program team.

A PBIS District Team may include: district administration, district PBIS trainers and coaches, representatives from each school building, and various department coordinators (special education, curriculum and instruction, early childhood).

A PBIS Building Team is comprised of a broad representation of 5-10 staff members including: building/program administrator (**required**), general education teachers with grade level representation, intervention specialists, related service providers, specials teachers, para-educators, and family members.

What's Next

The materials contained in this packet are used by you and your regional consultant to prepare your district/school/program for confirmation of your agreement and continued training, implementation, and support. Commitment, readiness, and planning are integral parts of the process to support the successful implementation of PBIS.

Thank you for your interest and ongoing effort as you continue to pursue safe and effective learning environments for your staff and students.

Has your school disaggregated disciplinary data in the current school year to examine disparities based on race/ethnicity, gender, disability status, grade-level, or other relevant demographic factors? (check one)

_____ Yes

_____ No

(The "OH PBIS Disaggregated Discipline Template" Excel file is available from your SST PBIS contact to assist you in producing disaggregated data graphs. Although submission of that file is not required for recognition at this time, schools are encouraged to use this helpful tool to identify disparities).
