

Setting the Stage for Early Childhood Positive Behavioral Interventions and Supports

2-Day Series

December 1, 2023 & December 8, 2023

This two-day series will address Building relationships and Creating Supportive Environments and Teaching Social Emotional Skills.

Participants will learn strategies to build positive relationships with children, families, and colleagues; design environments, schedules and routines; structure transitions; help children learn rules and routines and plan activities that promote engagement.

This training will also provide participants with information regarding the importance of intentionally teaching social emotional skills. Key social emotional skills and teaching strategies targeted in this training include friendship skills, emotional literacy skills, ability to control anger and impulse and problem-solving skills. Resources to involve families and caregivers will be shared. Connections to Early Childhood Positive Behavioral Interventions and Supports (PBIS) will be reviewed.
