

# Early Childhood Supervisory Network

The Early Childhood Network meetings will include guest presentations from regional partners, resources, and topics of critical interest to programs including early literacy, interagency agreement, preschool special education, SUTQ/licensing and various types of classroom foci and curriculums in early childhood.

There will be opportunities for attendees to network built in. These in-person meetings with optional virtual zoom access will be scheduled for 2 hours with materials available in advance. Consider bringing your lunch and joining us at noon for additional networking. Additional technical assistance or specific workgroup time will be available after the meeting ends upon request or as issues arise. Please contact Kathy Jillson at [kathy.jillson@escneo.org](mailto:kathy.jillson@escneo.org). Supervisors and administrators new to their role are encouraged to meet with us from 3-4 for information and Q & A session.

**Audience:** Early Childhood Administrators and/or Supervisors, Lead Teachers, and School Psychologists.
