Registration for this workshop and other events sponsored by SST Region 3, should be done through the Ohio Dept. of Education's registration system, **STARS**. **To register on STARS for this event go to <https://safe.ode.state.oh.us/portal/>.** A "**SAFE ACCOUNT**" must be set up first in order to register. For additional information or assistance call Theresa Richardson 216-524-3000, ext. 3818.

Audience: New staff: teachers, itinerants, administrators and related service personnel who might lead the process.

The Office of Special Education Programs (OSEP) requires all states to report the progress of preschool children with IEPs who demonstrate improvement in:

- A. Positive social-emotional skills (including social relationships);
- B. Acquisition and use of knowledge and skills (including early language/communication and early literacy); and
- C. Use of appropriate behaviors to meet their needs.

Each school district is required to complete the Early Childhood Outcomes Summary process twice yearly on each preschool child with a disability they serve. These sessions will provide the basis for the Early Childhood Outcomes Summary process and train participants in the use of the ECOSF Alternate Form: Documenting Evidence of the ECOSF which involves creating evidence statements. Additionally, the training will help to clear up procedural errors which may have affected the number of scores reported or inaccurate data in the SPP.

New staff: teachers, itinerants, administrators and related service personnel who might lead the process must be trained by the State Support Team. Additionally, if a district chooses to use the Alternate Evidence Statement Form, all PSE personnel must be trained by as SST.

Caution: This session is not designed to cover the old "Summary Form." Contact Kathy Jillson, kathy.jillson@esc-cc.org/216-446-3804 if you require training on this form.
