Professional Development Contact Hours: 3.0 each session

Why are the Early Learning and Development Standards (ELDS) important? This session explores school readiness goals and the linkage between standards and practice in early care and education settings. It provides an overview of Ohio's Birth to Kindergarten Entry Early Learning and Development Standards and their purpose in early care and education environments. The session will address the structure of Ohio Early Learning and Development Standards and will provide an overview of each domain within the standards.

This workshop is the new 3 hour version of the Early Learning and Development Standards.

Audience: Early Childhood classroom staff and related service providers; Early Childhood Administrators
