

The EVAAS dashboard for Value-Added reports has been redesigned to make analysis and interpretation more dynamic, expanded, and intuitive. The following sessions will be offered simultaneously in-person and via Zoom. Please register for the series at <http://www.escneo.org>. These sessions are free of charge.

Navigating the **NEW Value-Added Report** Dashboard

These sessions are being offered prior to the release of the new data. Scenario-based practice will guide the exploration in navigating the **NEW Value-Added Report** and using the new interactive features including filtering, sorting, cohorts, etc. It is highly recommended you familiarize yourself with the new portal prior to the release of data.

Tuesday, October 5th 9:30 a.m. – 11:30 a.m.

Tuesday, October 19th 9:30 a.m. – 11:30 a.m.

Tuesday, October 5th 1:00 p.m. – 3:00 p.m.

Tuesday, October 19th 1:00 p.m. – 3:00 p.m.

District & School Reports & Navigating the **NEW Diagnostic Report** Dashboard

This session will guide participants in analyzing and interpreting their district and school growth and achievement data using the new Value-Added Reports. The **NEW Diagnostic Report** dashboard will be introduced. Time will be dedicated to exploring your current EVAAS data.

Tuesday, November 2nd 9:30 a.m. – 11:30 a.m.

Tuesday, November 2nd 1:00 p.m. – 3:00 p.m.

Teacher Reports

This session will guide participants in analyzing and interpreting **Teacher Reports** in the new interactive dashboard. Please note: this date may need altered based upon release/availability of data.

Tuesday, November 30th 9:30 a.m. – 11:30 a.m.

Tuesday, November 30th 1:00 p.m. – 3:00 p.m.

EVAAS 101

This full-day session is an in-depth look into the two models used for EVAAS statistical analysis. The morning session will focus on learning and exploring with simulated data; the afternoon session will transition into a workshop-style session allowing participants the opportunity for guided practice using local data.

Tuesday, January 25th 9:00 a.m. – 3:00 p.m. (lunch on your own 11:30 a.m. – 12:30 p.m.)

Contact Information

These sessions will be facilitated by the Regional Data Leads (RDLs) of the ESC of Northeast Ohio. Questions can be directed to:

Michael Coury – Michael.coury@escneo.org
