The Esc of Northeast Ohio

EXPLORING OHIO'S UPDATED ELA STANDARDS

UNDERSTANDING, ALIGNMENT, PREPARATION

Ohio's updated standards provide clarity about what students need to know and be able to do. Our High-Quality Instructional Materials (HQIM) provide the foundation for delivering high-quality instruction. Our work is to understand the revised expectations, examine how materials support them, and make intentional instructional decisions that support student learning.

Join us for one of two focused, one-hour virtual sessions to learn about the 2026 revisions to Ohio's Learning Standards for English Language Arts and discuss the importance of how to intentionally begin thinking about blending the updated standards with your district-adopted High-Quality Instructional Materials (HQIM) .

During the sessions, we will explore:

- Why Ohio revised the standards
- Key changes and alignment to the science of reading
- Expanded Reading Foundational Skills
- Writing Foundational Skills
- How HQIM can support the transition
