During this series, early childhood PBIS leadership teams will build their PBIS Tier II system. The modules will include a review of the essential components of Tier I, utilizing Tier I data to reflect on program readiness and building the Tier II system. Teams will identify roles and functions of Tier II leadership team, a process for student identification for Tier II supports, and monitoring and evaluating interventions through a team based problem solving process. Each module has an accompanying work session that may be scheduled for an additional 3 hours of Ohio Approved credit.

**Audience:** This two day training is designed for members of the EC PBIS Leadership Team that are currently implementing Tier I practices with 70% implementation on the Tier I Tiered Fidelity Inventory.
