

EDSTEPS - Root Cause Analysis, Vision Setting

November 14, 2023 and February 22, 2024

(Virtual via Zoom)

The One Needs Assessment is a comprehensive tool that provides the opportunity for districts and schools to focus on a few items of high impact for continuous improvement. The One Needs Assessment directs districts and schools towards creating a focused One Plan.

All districts and schools that receive federal funding are required to use this planning tool to develop/revise their One Plan for FY25. The EDSTEPS - Root Cause Analysis, Vision Setting session will provide a general overview of the enhancements to the One Needs Assessment and One Plan, timelines, root cause analysis resources and vision setting for your district.

Audience: Cohort 1 school and district leaders, sponsor and management company representatives are encouraged to attend; all cohorts may attend.
