Empowering Early Educators: ELEVATE Series Advanced Learning & Leadership for Newer Teachers

Join us for "Empowering Early Educators: ELEVATE Series" a comprehensive year-long professional learning series designed specifically for teachers who are ready to deepen their practice, expand their influence, and grow as leaders.

Participants will deepen their practice through collaboration, reflection, and exploration of relevant topics that extend and build on foundational teaching practices. Designed as a continuation of the Launch experience, this series supports newer teachers in expanding their impact on student learning, strengthening professional connections, and developing their voice within the school community.
